

## D222 BUILDING CODES FOR COMMERCIAL BUILDINGS

### Class 1: Intro to Codes

(10 points)

#### EXERCISE 1- Code Officials & Permit Processing

Name: \_\_\_\_\_

Visit the Department of Building & Safety in the city/county that you reside or work in. Obtain the following items from the department and attach them to this sheet:

(Please note all items must be **originals**, photo copies will **NOT** be accepted for this assignment)

#### 1. Business Card

Obtain business cards for the following officials in the Department of Building & Safety:

"The" Building Official (there should only be one)  
One of the Plans Examiners (there may be several)  
One of the Field Inspectors (there may be several)

#### 2. Permit Applications

Obtain applications for the following permits required for allied disciplines:

Building  
Electrical  
Plumbing  
Mechanical (Air Conditioning)

**Note:** Some jurisdictions (but not many) have combined permit application forms where multiple permits are listed on the same application form. So don't panic if you don't receive four separate application forms- just make certain you have all the applications necessary.
