Interior Designers Institute permits any covered individual to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement to educational assistance under chapter 31 or 33 (a certificate of eligibility can also include a Statement of Benefits obtained from the Department of Veterans Affairs (VA) website eBenefits, or a VAF 28-1905 form for chapter 31 authorization purposes) and ending on the earlier of the following dates:

1. The date on which payment from VA is made to the institution.
2. 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility.

Interior Designers Institute will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to Interior Designers Institute due to the delayed disbursement funding from VA under chapter 31 or 33.

Public Law 111-377 Section 204

Any reporting fee paid to Interior Designers Institute after the date of the enactment of the Post-9/11 Veterans Educational Assistance Improvements Act of 2011, shall be utilized by Interior Designers Institute solely for the making of certifications required under this chapter or chapter 31, 34, or 35 of this title or for otherwise supporting programs for Veterans. When Interior Designers Institute uses reporting fees, Interior Designers Institute ensures that they are being used for the purposes identified in Public Law 111-377.
