

# INTERIOR DESIGNERS INSTITUTE

## Drug & Alcohol Abuse Policy

---

In accordance with the Drug-Free Workplace Act of 1988 (PL-100-690), the Drug-Free Schools and Communities Act of 1989 (PL 001-226 and 34 CFR pat 84, Subpart F), this institution is committed to maintaining a drug-free workplace and school. Drug and alcohol can lead to liver, heart, and other chronic disease, low birth weight, birth defects, and infant mortality in expectant mothers, and death. The unlawful manufacture, distribution, dispensing, and possession or use of drug, alcohol or other controlled substances at this institution is strictly prohibited. Students and employees are required, as a condition of enrollment and/or employment to abide by this policy.

This institution, as required by federal regulation (CFR 85.635 and Appendix C) to report all employees convicted of a criminal drug offense occurring in the workplace to the US Department of Education to the extent allowed by local, state, and federal laws, This institution will impose disciplinary action against any students and employees for violating these standards of conduct. These actions may include suspension, expulsion, and termination of employment, referral for prosecution and/or required completion of a drug and alcohol rehabilitation and/or similar program.

In addition, students receiving Pell Grants who are convicted of a criminal drug offense during the period of enrollment for which the Pell Grant was awarded are required by regulations to report that conviction in writing to the:

Director of Grants and Services  
U.S. Department of Education  
400 Maryland Ave, SW  
Rook 3124, GSA Regional Office, Bldg. #3  
Washington DC, 20202-4571

This report must be made within 10 days after the conviction.

Besides institutional sanctions, students and employees convicted of the unlawful possession or distribution of illicit drugs or alcohol could face local, state, and federal legal penalties which include the loss of eligibility for federal financial aid, fines, imprisonment and the seizure of drug related assets.

This institution continues to make a good faith effort to provide a school and workplace free from illicit use, possession or distribution of drugs and alcohol. This institution keeps track of incidents referred to any of the agencies and evaluates the performance of this institutional procedures every two years. As needed, data is updated biannually and provided to prospective and current students via the institutional catalog online.

Drug awareness programs, counseling, treatment, rehabilitation and other related services are available on an ongoing basis to students and employees of this institution at these facilities:
